Well, it's a Saturday night and there's nothing to do
I'm gonna get myself a new tattoo.
Ain't no rose is gonna do
I'm gonna get myself a bluebird to remind me of you
He ain't gonna go on my arm or my back
No this bird don't fly with the rest of the pack
They'll be no drinking Joe or Jack
And he won't fly away and forget to come back.
No he won't fly away and leave his home
No he won't fly away and leave his home
No he won't fly away and leave his home
He'll stay by my side
Blue Bluebird Blue Bluebird fly

Well, weeks gone by and I'm feeling fine
Yeah the sun came out and started to shine
I'm glad you're gone I don't think I mind
because my little bluebird's got'em waiting in line
Now my dance cards full since you went away
and this here bird just found out how to play
and he's now drag. He don't bring me down.
And so I shake my bluebird everynight on the town
No he won't fly away and leave his home
No he won't fly away and leave his home
No he won't fly away and leave his home
He'll stay by my side
Blue Bluebird Blue Bluebird fly
Blue Bluebird Blue Bluebird fly
Blue Bluebird Blue Bluebird fly
